

Equitable Access Program: Assisted Fitness Memberships

The MNjcc is proud to offer financial assistance for fitness memberships. We offer two types of assisted fitness memberships to suit the needs of our community.

1. Fully Assisted Fitness Membership for recipients of Ontario Works (OW), Ontario Disability Support Program (ODSP, and the Guaranteed Income Supplement for Seniors (GIS).
2. Partially Assisted Fitness Membership for those who meet the financial eligibility criteria.

Our Equitable Access Program for Fitness Memberships has limited spaces available. Eligibility is based on household income. Assisted memberships will be offered to applicants meeting the eligibility requirements on a first-come-first-served basis.

Waitlist:

- If the program is full, interested applicants may submit an application and if approved, applicants will be added to the waitlist on a first-come-first-served basis.
- When a spot becomes available, the next person on the waitlist will be contacted by the Financial Accessibility Coordinator.
- Offers of membership will expire two weeks after the date the applicant was informed via the email provided on their application.
- If an approved membership has not been activated by the expiry date, the spot and priority place on the waitlist will be considered forfeited.

Applicants must be approved before purchasing an assisted membership; refunds for previously purchased regular-priced memberships will not be provided.

All members and program participants are subject to the terms and conditions of [MNjcc's Code of Conduct](#). Violations of these terms may result in termination from the Equitable Access Program and the MNjcc.

The MNjcc offers additional program subsidies that require a separate application.

Applicants should submit their application and requisite documentation by email to wendym@mnjcc.org

If you are not able to submit your application and documentation by email, forms will be available at our Information Desk, as well as printable from our website at: www.mnjcc.org/financial-accessibility and can be submitted to the Information Desk to scan and email to the Coordinator.

Please only provide copies of documents and not originals if submitting an application in person. Documentation will not be returned to the applicant if left at the MNjcc. All hard copies of personal financial documents will be destroyed.

You will be contacted by email by the Financial Accessibility Coordinator with the outcome of your assessment within four weeks of submitting a complete application.

Customer Service Representatives and Membership Associates will not be able to provide information about the status of applications. If you have not heard back after four weeks, please contact the Financial Accessibility Coordinator.
