

Hi Swimmers,

We have had to close our aquatic centre temporarily.

One of the ceiling lights in the pool area broke and we are working diligently to repair the light and remove the debris.

While we work, we have arranged reciprocal access with the pool at TMU (Toronto Metropolitan University).

Instructions on using that pool are below.

We will communicate any updates through our aquatic alert emails to which you can subscribe by visiting www.mnjcc.org/connect

Thank you for your patience and your understanding.

The TMU pool schedule can be found here <https://www.torontomu.ca/recreation/schedules/pool-schedule/>

Here are their policies and procedures:

- Patrons must enter through the front entrance to the Recreation & Athletic Centre (located at the south end of the TMU Quad) and sign in at the front desk.
- During sign-in, patrons must present themselves to front desk staff, present proof of membership at MNJCC, and sign a waiver.
- Front desk staff will maintain a log of patrons from MNJCC at the front desk.
- Members may bring and use their own towels and locks, and use the day lockers in the changerooms and grand hallway.
- Towel service for the day can be purchased for \$4.00 at the front desk
- Locks can be purchased for \$8.85 + tax at the front desk, but are not available to rent or borrow.
